Create Marketing Executive Profile

1. Then In The Profile Level Give **Read and Create Access** for **Enquiry, property, loan** objects to Marketing Executive **profile** and **Read, Create, Edit, Delete** for the Marketing manager profile for **Enquiry, property, loan** objects
2. Marketing Manager profile Should Have Access to Marketing Executive profile

Standard Object Permissions

The permissions defined here control access at the object level. Access to individual records within that object type is controlled by the sharing model. Set access levels based on the functional requirements for the profile. For example, create different groups of permissions for individual contributors, managers, and administrators. How do I choose?
